MEMORANDUM FOR ALL EMPLOYEES

1. The 1972 Combined Federal Campaign (CFC) will be conducted in our Agency 22 September through 20 October 1971. It will support the United Fund, the American Red Cross, the National Health Agencies, and the International Service Agencies in their vital activities benefiting mankind. This year the CFC has set a goal in the National Capital Area of \$8,800,000, an increase of 4.7 per cent over last year's goal.

2. Our Agency has been assigned a goal of \$281,995, which reflects the same increase as the Area goal. Since the inception of the CFC our Agency has surpassed its goal each year, and I am confident we shall again meet this challenge during the 1972 campaign.

3. As in the past we shall be given the opportunity to pay our CFC pledges by payroll deduction. This is an easy and effective way for us to give our fair share to help those in need -- in our community, in the nation, and around the world.

4. During the Combined Federal Campaign you will be asked to contribute to the Public Service Aid Society (PSAS) and the Educational Aid Fund (EAF). These two programs, which benefit only Agency employees, need and merit our full support.
